Dear Consultant

**Re: Mr Casey Brenton-Dore, (dob 13-May-2018)**  
**13 First Close, West Molesey, Surrey KT8 1PL**  
**Mob No 07983669685**

Thank you for seeing this chap with phimosis. He was originally seen under the NHS and advised watch and wait. He gets recurrent soreness and ballooning of the foreskin and Mum is keen for a second opinion.

Yours sincerely

**DART, Elizabeth (Dr)**
